PRESIDENT'S REPORT

Finance

- Surplus for eighth year running
- Thankyou to Trevor Wilkie as Finance Director for his leadership in this department along with our Board and staff
- DISC has provided us with a new set of income and expense items to manage which has been challenging but I feel we have performed well, keeping hire costs down for our clubs and members.
- There is still come considerable expenditure to be met in relation to the velodrome. The second grandstand will soon be delivered and installed and amongst other things, the track must be cleaned, the office is set to undergo some alterations and there is to be a VIP seating area added on the upstairs landing near the stairwell.

Membership

- It has been encouraging to see a significant increase in membership figures this year. The overall figure now stands at 3248, an increase of around 20%.
- Again, the largest growth of membership has been seen in Masters categories. Thankyou to Stuart Campbell and the Masters Commission for their enthusiasm in this area.
- Overall we have seen a pleasing increase in junior membership although there continues to be problem categories which continue to decrease Australia wide. Through the introduction of the \$5 'kidz' licence it is hoped we can build a strong base number of U/13 members which should translate to the other junior categories in years to come.
- There has also been a significant increase in the non-competitive 'Ride-It' licence which is encouraging leading to more people riding and hopefully eventually racing.

Vodafone Arena

- CI will this season host three events at Vodafone Arena with the Melbourne Cup on Wheels, Austral Wheelrace and Australian Madison C'ships. The Sid Patterson Grand Prix will again be held at DISC.
- This follows on from a reasonable season last year where CI were able to return another small surplus.
- I would continue to encourage members to invite family and friends along to the track cycling as CI need your support.

DISC

- We have now had our first full year at DISC and I am pleased to say that the track is now being used most days of the week all year round.
- We have had good support from our clubs and members for the use of the facility and I believe we have rewarded them with very reasonable track hire rates.
- The track now needs some thorough cleaning due to the heavy track use. However, it is not such a bad problem to have considering it is being used so regularly.
- The Commonwealth Games in March this year saw the temporary move of CSV operations to the Northcote Town Hall for six weeks which was a bit of an inconvenience. However the Games did provide us with a number of legacy items which we have been able to pass on the clubs and for use here at DISC.
- Thankyou to Steve Peterson and Trevor Wilkie for their commitment to ensuring there is a smooth operation at DISC.

2005 –2006 ANNUAL REPORT

CycleSport VICTORIA

Major Events

- With the Commonwealth Games being held in Melbourne earlier this year hopefully this has translated to an increase in interest in the sport of cycling, perhaps partly responsible for the increase in membership.
- The Victorian Cyclist of the Year awards again improved on previous years to be widely regarded our best yet. I would like to thank Amy McCann for her organisation of the evening which again was a full house and one of the top nights in cycling.
- Congratulations also go to Tess Downing for taking the top award as Victorian Cyclist of the Year and a further thankyou goes to the awards night committee of Matthew Wright, Christine Bell and David Good, along with the Maillot Jaune who again supported the evening.

Racing / Officials

- I would like to begin by thanking our officials and volunteers, along with our clubs and their volunteers for ensuring that Victoria continues to lead the way in racing Australia wide. This is largely due to the commitment of these people who put aside their time for the good of the sport.
- Through our major road events with the Jayco Bay Classic and the Tattersalls Cup Series there continues to be a large number of riders travelling to Victoria from interstate to contest our racing which is pleasing.
- The Victorian Road Championships run under the banner of the Australian Cycling Grand Prix again took a step forward this year with excellent entries for all three events over the three days. The City of Ballarat are right behind cycling at the moment and with the Australian Open Road C'ships returning to Buninyong in early 2007 it promises to be an exciting time in this state.
- I would like to thank Ian Maher for his power of work for racing working with promoters and our officials to plan for each open event of which now takes up almost every weekend of the year.

Development

- The Victorian Schools Cycling Championships again continued with the road race & criterium format this year with another increase on entry numbers of around 20%, totalling over 1 100 students.
- The final of the Schools C'ships was again held in conjunction with the Herald Sun Tour finish in Carlton.
- I would like to thank our Development Officer Warren Vigor for his work with the schools c'ships, along with other initiatives including two development camps, several come n try days, schools track clinics here at DISC, regional club meetings and several coaching courses.

Staff

- It has been pleasing that we have been able to keep the same team of staff together for a significant period of time now and this has allowed us to progress on some of the initiatives which we have been looking to focus on.
- I would like to thank our staff for their commitment to their various roles with Ian Maher on racing, Steve Peterson overseeing DISC and administration, Amy McCann with finance and communications and Warren Vigor on Development.
- There is no doubt DISC has been extension on the workload of the staff and I thank them for their ongoing commitment under considerable pressure.

Volunteers

- It is mentioned regularly but the volunteers within cycling are what keeps the sport going. Both open and club racing simply does not function without the support and commitment of these people and for that we are thankful. Again we honoured one of our sport's hardest workers at this year's Awards Dinner. Congratulations to George Nelson for being named Victorian Cycling volunteer of the year. Thanks to George and to Maureen Dougherty for their assistance with the office.

D PRESIDENTS REPORT

J Ciavola, as President presented his report:

E TO RECEIVE BOARD REPORTS

CHIEF EXECUTIVE OFFICER'S REPORT

T Wilkie, as Chief Executive Officer presented his report.

F TO RECEIVE REPORTS FROM OTHER COMMITTEES

FINANCIAL REPORT

T Wilkie, as CSV finance director, reported on the accounts. He stated that the auditor had recently presented CSV's financial statement which has seen a small surplus generated of around \$4,000. He distributed a summary of the financial report to all in attendance and spoke to it.

2005 –2006 ANNUAL REPORT
CycleSport VICTORIA

MASTERS COMMISSION

Stuart Campbell, as chair of the Masters Commission reported on its progress this year. He stated that over the 12 months the Commission met on 7 occasions. He stated that there had been two resignations with Philip Johns and Jim Taylor both leaving. He thanked them for their commitment to their respective roles. He added that Philippa Read of the St Kilda Cycling Club had now joined.

He stated that this year we saw that once again Masters remained the fastest growing of any category within the CA membership and it remained the goal of the commission to continue to promote this. He added that there was once again aggregate competitions held in both road and track. He stated that the track sessions continued to operate on Sunday mornings allowing Masters riders the opportunity to train at DISC. He thanked the Board's commitment to both the aggregate and the track sessions. He also thanked John Lewis for his work with these track sessions.

The Commission also thanked Ian Maher and Steve Peterson for their organisation of the state Masters road C'ships. He stated that the event was hosted on a great course and entries increased in all categories. He added that 2007 promises to be a big year for Masters riders with the state titles at DISC in January, the National Masters road and track here in Victoria in March and the UCI World Masters in Sydney in October.

He finished by noting some impressive results from Victorian Masters riders overseas with a number of medals being taken from the World C'ships in Europe.

G CORRESPONDENCE Nil

H ANNOUNCEMENT OF ELECTION RESULTS

J Ciavola stated that there had been five nominations received for five vacant positions coming up for election so all were adopted. This comes as the constitution has now been changed allowing for nine board members and the President now being elected by the Board. He welcomed Laurie Noonan and Doug Armstrong onto the Board with Glenn Pearsall, Trevor Wilkie and Vito Depetro all seeking and receiving re-election.

J Ciavola stated that the new Board had met just prior to this meeting without him as he was not running this year, with Klaus Mueller being duly elected President of CycleSport Victoria. It was stated that Steve Mitten was now Senior Vice-President, Trevor Wilkie continues as Finance Director and Barry Langley filling the remaining Board position on the Executive.

K TO APPOINT AN AUDITOR

J Ciavola asked those in attendance to consider the re-appointment of Don Willing & Associates to conduct the audit, as recommended by the Board of CycleSport Victoria

Moved that Don Willing & Associates be adopted as the auditor for the 2006/07 year.

2005 –2006 ANNUAL REPORT
CycleSport VICTORIA

L GENERAL BUSINESS

- National Road C'ships.** Julie-Ann Hodges of Brunswick CC spoke on behalf of the club to put forward the motion that Victoria introduce a junior road team for the purposes of this championship. She stated that earlier this year Victoria was the only team not to have sent a team and it was felt that the Victorians were considerably disadvantaged by this. S Peterson stated that the Board of CSV had always committed themselves to the introduction of state junior road teams and this is something that Victoria had been the driving force for for some time. However, not until one week before the event did the office learn of the introduction of the teams and the need to supply spares vehicles. S Peterson assured Julie-Ann that had CSV had been aware of this, then Victoria would have put together a team.

Moved that a Victorian junior team is formed for the 2007 Nationals, with selection criteria to be put together by March 2007, Manager appointed by April 2007.

J HODGES / N WILLIAMS
CARRIED

- Teams Racing.** M Zanatta questioned what the feedback had been like to the concept of teams racing. J Ciavola stated that the Board were adamant that it would be successful and are committed to see the efforts in promoting it continue.
- Geelong CC.** N Williams thanked the Board and staff for their commitment throughout the year on behalf of the club.
- Joe Ciavola retirement.** J Ciavola spoke thanking people for their support over the past 10 years in his position as President. He added that he took pride in what he and his Board had been able to achieve in his time with CSV. He stated that CA were strongly considering closing the office down in Victoria and since then there has been substantial progress made. He stated that there were a number of issues which needed to continue being attacked by the authorities in cycling and encouraged the Board and its members to continue to be vigilant.

K Mueller spoke at length to thank Joe for his dedication and commitment to the sport he is passionate about.

As there was no further business, the president declared the meeting closed at 9:08pm
